Promoting good mental health through personal development, education and employment.

Vocational Workers

Our outreach Vocational Workers are able to support you in your journey towards **planned and sustainable employment**.

- We will work with you on a one-to-one basis, helping you to complete an action plan that will be tailored to your needs and goals.
- You will be encouraged to **develop your confidence and self esteem** and your advisor will be able to help you do this in a way that suits you.
- In the past our advisors have supported their clients towards work placements in many settings including catering, care and retail. They can help you to find a placement in an area that interests you.
- Alongside these activities your advisor will also be working with you to **develop your employability skills** and help you in your progress towards **paid employment**.

Our Vocational Workers accept referrals from any source including self referral.
